

MEET YOUR CAPTAIN GEORGE & CHEF/STEW ELLE

Chartering the boat with George and Elle is not just an ordinary nautical escapade, but a voyage intertwined with passion, experience, and a shared dream.

Meet George, whose lifelong love of sailing began with humble makeshift sails crafted from fishing rods and roller blinds. He honed his skills racing dinghies, including lasers, and even made it to the Olympic youth team. At 17, his quest for adventure led him to a yacht charter position in the south of France, where he climbed from deckhand to chief officer on a 40m Superyacht. Despite his success, he felt something was missing—the billowing sails of his dreams.

That yearning led George to 'Stormy Weather,' a classic sailboat from 1934.

Teaming up with Elle, they embarked on a mission to create unforgettable charters, blending their love for sailing and fine cuisine. Elle's dream of blending cooking with a life at sea became a reality after the challenges of the COVID-19 pandemic. Elle's philosophy is simple yet profound; she believes that cooking with love provides food for the soul. Together, they are dream weavers, offering guests a unique experience that nourishes both body and soul. Their journey combines luxury, adventure, and culinary delights where they aim to create lasting memories for their guests.

Join Elle and George on a unique culinary odyssey where sea air blends with the aroma of Elle's creations, and the magic of fine dining meets the enchantment of the sea. They're redefining what a charter can be, one delectable bite at a time.
